Hello Robert,

Here is another letter in regards to the listing of the CFAC plant. I sent out an email requesting response coordination and Victor Ketellapper called and for consistency sake we will be drafting the response. I think our response should be very similar to the one we used for the Flathead County Commissioner response. I have attached that as well. I also am attaching our response to the City Council since they were in favor of staying the course for listing. You will have both versions then.

Would you mind drafting the response. I assume this response will need the RAs signature since it was to him?

Thanks,
Mike
